# THE LIBERTINES

**SOLD OUT**

**The Libertines** has been our fastest selling gig to date - we sold out in three and a half hours! Were you lucky enough to grab a ticket?

Noughties indie legends **The Libertines** will be here at The Drill on Monday 29th January as part of their intimate UK tour following the release of their first album in 9 years; "All Quiet on the Eastern Esplanade".

Lead singer Pete Doherty recently appeared in a Louis Theroux documentary with the BBC talking about his struggles with and recovery from drug addiction.

This sold out show is set to be massive, with support from CarPark and Shortstraw.
